SOIL CONSERVATION NEWS
E. A. Grimes, Basin Community, says that it pays to prepare a good seedbed where crimson clover is to be planted. It is important in getting a stand. The land should be prepared at least two or three weeks before planting. This allows the land to settle.

Mr. Grimes is going to plant his crimson clover after the next rain. Before planting he will scarify the land with a peanut weeder. The seed will be sown and covered with the weeder.

Charles Mallory of Rhoades community has just finished applying fertilizer to his pasture. He put 500 pounds of 0-14-14 per acre. All pastures need an annual application of fertilizer. It furnishes minerals for grass needed by livestock for best growth. Unfertilized pastures produce poor grazing. Now is the time to apply fertilizer to all pastures.

Mr. Rowe is cooperating with the Wiregrass Soil Conservation District in putting each acre of his land to its best use.

Charles L. Rowe of Elba stated last week, "My steep land is not washing since I planted it in sericea and bahia grass. These deep rooted plants help protect the soil from erosion. It is a good thing to have a car with a black nightgown."

At last he found words and tremulously muttered, "I wouldn't be found dead in this shameful way!"

He was intended to purchase, so enhancing, so revealing, it looked like a screen door with filigree upon its top.

He had no sooner entered, and declared his desire to give the little woman a present of some kind, when the lady suggested a black nightgown might be satisfactory. Henry agreed this would be quite practicable, not knowing that she had observed him eyeing such an article in the window. She also took what seemed to Henry a long time in gift-wrapping the package. It also seemed hours to him before he could get to the door.

At last he reached home. The dear little woman was finishing the evening chores. Henry quietly slipped up to her side, kissed the top of her head, and then he pinched her cheeks. She turned and without a word she reached for his breath, thinking he had been taking a shot or perhaps two—but found she had been wrong in her guess. He was only pinching her cheeks. She turned and without a word she reached for his breath, thinking he had been taking a shot or perhaps two—but found she had been wrong in her guess. He was only pinching her cheeks.

It was hours later, and those hours had proven much longer in their passing to Henry, than they had ever passed before. At last came that witching moment—the climax to all of Henry's waiting. The house was quiet. With a benign smile and a full heart of love, Henry brought forth the present and gave it to the little woman.

She was delighted at his consideration and paid a tribute to his thoughtfulness. She gaily unwrapped the alien bands that bound it, and hesitatingly opened the cover. A look of astonishment crept across her face. To Henry it was a black nightgown. He was trembling with joy for which he had waited so long. She held up the garment by its filmy filigree strands, gazing upon it in amazement.

At last she found words, and tremulously muttered, "I wouldn't be found dead in this shameful way!"

It has been two years since, but Henry declares it has been the makings of a fine polishing rag for the old lady. It never shows the dirt, and he is willing to bet his last dollar just for vanity's sake that nobody else ever cleaned a car with a black nightgown.

SHORT STORY

The Present

By Henry C. Suter

THREE MARRIAGE LICENSES
Three licenses to wed were issued from the Elba probate office during the past week. Jimmie Nubble, 21, Tupelo, Miss., and Miss Doris Sue Kelley, 16, Enterprise.

William Durl Dean, 18, Elba, Rt. 1, and Miss Shirley Jean Wilkes, 18, Jack Rt. 1.

Marion Smart, 20, Elba Rt. 1, and Miss Marlene Henderson, 15, Elba Rt. 5.

CHESTNUTS ARE THRIVING
Will DeVaughn, who resides on the Elba-New Brockton highway, about two miles this side of New Brockton, was looking up some land records in the Elba probate office Friday and was telling about the Japanese chestnut trees he set out three years ago. He said he set out four trees, one of which died, but three are growing nicely. He said they blossomed this year but did not bear nuts. He expects them to produce nuts in a year or two.

There has been a good deal said about the extinction of wild chestnut trees which used to be quite plentiful in this section, but which are almost extinct. Mr. DeVaughn said he gathered a pocketful of wild chestnuts this year from sprouts which grew up around an old stump. He thinks many people in this area should set out their places, as they are said to be resistant to the wild disease which decimated the wild varieties several years ago.

Henry was looking into that same window of the Exclusive Linenry Shoppe at the very gown

At last he found words and tremulously muttered, "I wouldn't be found dead in this shameful way!"

he was intended to purchase, so enhancing, so revealing, it looked like a screen door with filigree upon its top.

Welfare Checks Face Cut

Stricter regulations for getting welfare aid and reductions in food and medical care allowances for recipients are being put into effect in October because it is immediately necessary to get agency expenditures within the limits of available state funds. Commissioner Bill Dorough made this statement today in stressing the fact that while these policies will reduce October checks and cashed, the Department will later be able to make higher payments to those in greatest need.

Over-spent State funds budgeted for assistance last year and we simply don't have the money to do it again," Dorough said. "September payments were the highest for the year and well above the average for the 12 months. With the new regulations will make it possible to increase percentages paid within a short time. "We'd like to be able to meet 100 percent of people's food, clothing, and shelter needs anyway."

Truck Kills Kinston Child
Seven-year-old Peggy Wingard, daughter of Mr. and Mrs. Jack Wingard, Rt. 1, Kinston, was fatally injured near Opp Sunday when she jumped from a parked automobile and was struck by the rear of a truck driven by Odis Gardner, 36, of Rt. 1, Kinston. The front wheels of the truck passed over the victim before Gardner could stop his machine. No charges have been placed against him.

Highway patrolmen said the child jumped from an automobile by the rear of a truck driven by Odis Gardner, 36, of Rt. 1, Kinston. The front wheels of the truck passed over the victim before Gardner could stop his machine. No charges have been placed against him.

Mr. and Mrs. E. Somerset of Fairview community in Coffee County celebrated their fifth wedding anniversary with a reception held at their home Sunday afternoon, Oct. 11. The couple have been married for 25 years and have five children. They have four children living and eight grandchildren. Mr. Somerset is 62-years-old and Mrs. Somerset, 60-years-old. Legal Notices

STATE OF ALABAMA

COFFEE COUNTY

Whereas, E. H. Hataway and wife, Viola Hataway, executed to J. M. Donaldson, of Coffee County, Alabama, on to-wit, December 3, 1952, a mortgage upon

the real estate hereinafter described to secure an indebtedness described therein, said mortgage being recorded in the office of the Judge of Probate of Coffee County, Alabama, at Elba, in Mortgage Book 12-A page 309, and

Whereas, default has been made by mortgagors in payment of this indebtedness secured by said mortgage and in the performance of the terms of said

mortgage: Now, therefore, D. H. Davis, the transferee and owner of said note and mortgage, will sell, under and by virtue of the power of sale contained in said mortgage between 11 o'clock A.M. and 4 o'clock P.M. on the 24th day of November, 1953, at auction to the highest bidder for cash, in front of the Court House door of Coffee County, in the City of Elba, Alabama, the real estate embraced in said mortgage described substantially as follows:

SE 1/4 of NE 1/4 and NE 1/4 of SE 1/4 less a strip of land one acre wide on the South side, Section 20, Township 4, Range 20, and one acre square in Northwest corner of NW 1/4 of SW 1/4, Section 21, Township 4, Range 20, commencing at the Southwest corner of the SW 1/4 of NW 1/4, Section 21, Township 4, Range 20, and running two acres East along the South line, thence three acres North, thence two acres West to West forty line, thence three acres South along said forty line, to commencing point, all lying and being in Coffee County, Alabama, and containing 81 acres, more or less.

Said sale will be made for the purpose of raising the mortgage debt, together with all expenses of this sale, including a reasonable attorney's fee. D. H. DAVIS, Transferee and Owner, 29-Nov-52 322 words

IN THE CIRCUIT COURT OF COFFEE COUNTY, ALABAMA, EXTRA DIVISION IN EQUITY LUCILLE DEVANE, Executrix of ESTATE OF W. R. POWELL, Deceased, Complainant

LEVY ROWELL, ET AL, Respondents, To: Levy Rowell, W. C. Rowell and Ruby Powell. Notice is hereby given to each

of you that Lucille Devane, Executrix of the Estate of W. R. Powell, deceased, filed her petition in this Court seeking to sell the lands belonging to said estate for the purpose of paying the debts and for division of the remainder among the joint owners. You are therefore commanded to appear and file plea, answer or demurrer to said complaint on or before November 3, 1953, otherwise a decree pro confesso will be entered against you.

This the 27 day of October 1953. Gladys Clark, Register. Oct. 29, Nov 5-12-19 131 w

Man Loses Arm in Accident

Tommy Harrison, age 26 blood. Transfusions were administered here Sunday night and Rainer's ambulance carried him to Veterans' Hospital in Montgomery early Monday morning. His condition was termed as critical.

After the collision Harrison lost control of the truck which went off the fill, according to information. No charges were brought by the investigating patrolman.

Mr. Harrison was driving a Ford pickup truck, going toward the north on Highway 20, near the intersection of Highway 20 and Highway 10, when the truck collided and Harrison's left arm, resting in the door of the truck, was snatched off.

Coffee County Patrolman investigated the accident and Patrolmen J. C. Lowman and W. A. Hornsby assumed the responsibility of getting the patient admitted to the hospital here and securing medical aid for him.

He lost an excessive amount of blood. It is estimated that something like 40 containers will be present at the meetings to be held in Troy and Dothan to submit bids.

Mayor Mullins stated that the gas utilities in Elba would cost an estimated \$275,000 and bonds for the cost of the project will be sold just as soon as the necessary arrangements can be perfected.

He said gas mains will be laid in front of Elba property and consumers can connect with them in the same manner as city water patrons now do.

Mr. and Mrs. Jamie Nolin of Elba, Rt. 1, had as their guests last weekend, Mr. and Mrs. Carlton Nolin; Mr. and Mrs. Walter Nolin; Miss Vonelle Nolin, all of Columbus, Ga.; A. De Harley E. Reese of Lawson Field, Fla.; Benning, Ga.; and Mr. and Mrs. Buck Marler and children of New Brockton.

Revival Planned By Methodists

The Rev. Ernest A. Childs, pastor of the First Methodist Church, Greenville, Alabama, will be the guest pastor at the revival services at the First Methodist Church of Elba, Alabama, Sunday, November 1 through Sunday, November 3. The Rev. Elvin T. Edgar is the host pastor.

The church attended Birmingham-South College, Birmingham, Alabama and has served

several pastorate in the Alabama Conference of the Methodist Church. Some of the more recent pastorate are: The First Methodist Church of Opp, Alabama; The First Methodist Church of Dothan, Alabama; The Dexter Avenue Methodist Church of Montgomery, Alabama; and the First Methodist Church of Greenville, Alabama.

He is an outstanding minister of this area and has served his church in great manner. He is cordially invited to attend these services and hear Dr. Childs. Services daily are 7:00 A.M. and 7:00 P.M. (Monday through Saturday); Sunday 11:00 and 7:00.

The committee responsible for planning a revival in Elba is looking for the oldest living lady resident of the town. The candidate must be able to participate in the parade. Mrs. Lamar Rainer Sr. said the queen will be picked on the basis of having lived in Elba the longest years. An older woman, the queen may not be the oldest lady in Elba but one who will have lived in town longer than any other.

Several candidates for the title have been found by the committee, but Mrs. Rainer said she is contacted by friends or relatives of any lady in Elba who they think might qualify for the spot of honor in the Centennial Day parade Nov. 19.

V. STOUTS, Rev. William K. Blake, State Secretary of the Presbyterian State Mission Board, visited in the home of Mr. and Mrs. C. B. McDowell and family Monday.

BLUFF SPRINGS CHURCH Services will be held at Bluff Springs Baptist church on the second and fourth Sundays at 11 o'clock in the morning and 7 o'clock in the evening. Sunday school at 10 A.M. and Training Union at 6 P.M. Rev. Grimes of Troy is pastor.

MRS. W. WYATT IN HOSPITAL Mrs. Wallace Wyatt, daughter of Mr. and Mrs. L. L. Ham, of Brundidge, was carried to New Orleans Tuesday morning, where she will undergo treatment in a hospital.

Mrs. Wyatt is the former Ruth Hamm.

\$20,000,000 GAS CONTRACT Mayor L. P. Mullin announces that contracts will be let Nov. 16, 17, and 18 for construction of mains for the Southeast Alabama Natural Gas District. It is estimated that the contracts will amount to approximately \$20,000,000 and will comprise more than 200 miles of 10 and 8-inch

Mr. and Mrs. Fox Brunson spent several days in Mobile last week with Mr. and Mrs. Fox Brunson Jr. and little daughter Jeanne.

Mrs. Sam Casey spent several days last week at Blue Lake where she attended an Executive Board meeting of the W. S. C. S.

Mrs. Rex Oggs of Birmingham spent Sunday with Mr. and Mrs. Billie Oggs. Butch Oggs who had been visiting his grandparents returned to his home with her.

Mr. and Mrs. Paul Rowe Brunson and children of Ozark spent Tuesday with relatives here.

Representative and Mrs. Jackson W. Stokes spent last week end in Tuscaloosa.

Mrs. J. D. Whitman, Hoehn, George Collier, Basil Whitman and C. O. Miller and J. Clark spent Tuesday in Montgomery where they attended Grand Chapter O. E. S.

Mr. and Mrs. George Houtt and children of Birmingham spent last week end with her parents Mr. and Mrs. Flournoy Whitman.

Mrs. E. R. Campbell has returned to her home in Woodville, Ala after a visit in the home of her daughter Mrs. Paul Windham.

Miss Henriann Taylor student at Howard College spent the week end at home.

Mrs. B. S. Franklin is spending some time in Greenville with her daughter Mrs. Lander Curreton. Mrs. Paul Lowery is convalescing at Edge Hospital in Troy after a recent operation.

Mr. and Mrs. Earl James of Birmingham visited relatives here Sunday.

Mrs. Corrie West of Greenville spent Sunday with her sister Mrs. John Bonneau.

Rev. and Mrs. E. C. Brunson of Dothan, Mr. and Mrs. Charles Brock and children and Mr. and Mrs. Lamar Brunson and children of Birmingham and Mr. and Mrs. Nelson Ball Jr. of Columbus, visited in the home of Mrs. Kate Brunson and Miss Mercer Brunson recently.

Mrs. Pinckard of Chipley, Fla. and Mr. and Mrs. Ned Folmar are visiting in the home of Mrs. W. M. Brunson.

Mr. and Mrs. Stanley Prior and daughter Harriett of Columbus, Ga. spent the week end with their parents Mr. and Mrs. George Collier and Mr. and Mrs. Bill Morgan.

Mrs. Pete Dorsey and Mrs. Gussie Hutchison spent several days last week in Foley, Ala.

Will Harper, Buddy Whitman, and Johnnie Farris students of Auburn spent the week end at home.

Mrs. M. L. Seay spent several days last week with relatives in Dothan.

Bobby Bullard of Maxwell Field spent Monday and Tuesday with his mother Mrs. William Bullard.

Mr. and Mrs. Earl Thresher and children Mike, Sissy and Jim spent the week end with her parents Mr. and Mrs. C. Y. Martin.

Miss Martha Ham of Columbus, Ga. spent the week end with her parents Mr. and Mrs. Wesley Ham.

Kline Bentley Jr. U. S. Navy left Thursday for Chicago after spending several days with his parents Mr. and Mrs. Kline Bentley.

Mr. and Mrs. J. W. English of Ft. Payne spent last week here.

Mr. and Mrs. Paul Collier of Montgomery announced the birth of a son on Oct. 19th whom they named George Thomas.

Corp. John Wilkerson has returned to Camp McCallan after spending a few days with his mother Mrs. John Wilkerson.

Paul Ham, son of Mr. and Mrs. Lotise Ham was carried to Gibson Hospital in Enterprise on Monday night where he was operated on for appendicitis.

Miss Martha Rainer, who teaches in Orlinda, Fla. spent the week end with her parents Mr. and Mrs. Frank Rainer.

Methodists Have Family Night Some 100 members of the Elba Methodist Church and a few invited guests partook of a sumptuous supper last Wednesday evening in observance of the regular monthly "Family Night" service held each third Wednesday night.

Following the feast, an interesting picture was shown on the screen, entitled "The Church Serves the Family." The regular official board meeting of the church followed when the secretary, Mrs. Luna Dell Ringo, reported that the church was in better financial condition than ever before at this time of the conference year.

Many complimentary comments were expressed and the marked improvements that have been made and are in progress at the church.

"Meditation" by Mrs. J. D. Whitman. The meeting was dismissed by a prayer by Mrs. William Bullard. Those present were: Mesdames E. M. Warr, Carl Russell, M. L. Seay, William Bullard, J. D. Whitman, Neal Hutto, J. W. Kendrick, Oswald Dowling, Cecil Prescott, G. P. Miles, Colon Whitman, Miss Gladys Clark.

The Elba Baptist Church met on Monday night Oct. 19 at the home of Mrs. Pauline Allen. On arrival the hostess served an evening meal with hot coffee. Afterward the meeting was called to order by Mrs. Allen and a business meeting held. The devotional and prayer was by Mrs. E. M. Warr. The mission study was taught by Mrs. J. W. Kendrick. A lesson from Royal Service was also given by the following members:

"A sinful world" by Mrs. Carl Russell. "Conditions in America and Other Lands" by Mrs. Neal Hutto. "A sufficient Saviour and Spiritual values" by Mrs. Oswald Dowling. "Right Relationship and From Sin to Son" by Miss Gladys Clark.

MUSIC CLUB The Elba Music Lovers Club met on Monday night Oct. 19 at the home of Mrs. E. G. Bragg with Mrs.

- - Keep Coffee County Green - -

J. A. Wilson, of Curtis Community is standing in a grove of pines he set on his farm. The trees are 3 years old. The pines are planted on land that is not suited to cultivation.

BAHIA GRASS PAYS OFF FOR BASIN FARMER

By JAMES E. HOLLAND
Soil Conservation

John Mack of Basin Community believes in Bahia Grass as a summer grazing crop. He has several acres of Bahia that furnished him with a good crop of green all summer. The grass stayed green all through the dry periods of the summer.

Mr. Mack planted the Bahia as part of a soil and water conservation plan of his farm. The plan was made with the help of a Soil Conservation Technician assisting the Wiregrass Soil Conservation District. The farm plan was based on an inventory of the land and on the needs of the farmer.

FOX BRUNSON CLEARING LAND

By JAMES E. HOLLAND
Soil Conservation

Fox Brunson of Elba has cleared some of his bottom land to be put in pasture. This was some of the best land he had on his farm. Before the land was cleared it was not producing much grazing.

Mr. Brunson is applying one ton lime per acre and 500 pounds of 0-14-14. Pastures are like other crops in that they need fertilizer too. Fertilized pastures support more cattle than unfertilized pastures. The pasture will be seeded to bahia grass, crimson clover and white Dutch clover. He is going to use 20 pounds of bahia grass, 20 pounds of crimson clover and 3 pounds of white Dutch clover per acre.

Nov. 1-7 Is SCS Districts Week

By JAMES E. HOLLAND
Soil Conservation

November 1-7 has been proclaimed by the Governor of Alabama as Soil Conservation Districts Week. What are soil conservation districts? Soil conservation districts are local units of government, operating under state laws. They are set up and run by farmers to protect farm and range lands and improve productivity. They have the authority to ask and receive help from State and Federal Governments. There are 12 districts in Alabama.

The districts are run by a board of supervisors who must be land owning farmers. They receive no pay from anyone. Charles Mallory of Rhoades Community is District Supervisor for Coffee County. Coffee County is in the Wiregrass Soil Conservation District. Other counties in the Wiregrass district are Geneva, Dale, Houston, Henry and Pike. The Soil Conservation Service assists Soil Conservation Districts in applying soil and water conservation.

O. V. Rhoades, of Berry's Store community is standing by a good fence he recently built. The fence is run on the contour of the land.

GOOD LAND USE BRINGS PROFIT

By HUBERT KILGO
Soil Conservation Technician

James Bailey is practicing good land use on his farm in the Borklyn community. Mr. Bailey is interested in putting each acre of his land to its proper use. A farm plan and land use plan has been drawn up on this farm in cooperation with the Wiregrass Soil Conservation District. From this land use map it has been determined that there are three kinds of land on this farm. Row crop, pasture, and tree land. The best land is being used for row crops. This land is easier to cultivate and not as subject to erosion. Productivity is to be kept with rotation, cover crops, good terraces and vegetated outlets.

Step land that is more subject to erosion is being planted to pasture. Mr. Bailey planted twenty-six acres of Bahia grass, rescue grass and crimson clover. The rescue and crimson clover furnished some good grazing last winter. Mr. Bailey said it took little grain for his hogs running on this pasture last winter. He says the clover has also furnished a lot of nitrogen for his bahia grass that is furthering the plan.

GOOD GRAZING SECURED FROM BERMUDA GRASS

By JAMES E. HOLLAND
Soil Conservation

"I got much more grazing from bermuda grass that was overseeded with crimson clover," stated Harlan Hudson of Elba last week. The clover furnishes a lot of nitrogen needed by the grass.

The crimson clover can be overseeded on bermuda grass sod with little preparation. Due to the grass using up moisture the planting should be done later than where a good seed bed is prepared.

Greeting Cards at The Clipper

This fall Mr. Hudson is overseeding part of the field with rescue grass. The rescue can be planted on the sod same as crimson clover. The rescue and crimson make a good combination. Rescue like crimson clover is an excellent reseeder. Mr. Hudson is cooperating with the Wiregrass Soil Conservation District. The balance of the land on his farm is classified as tree land. A good profit may also be received from this land with good management.

Soil Conservation

By JAMES E. HOLLAND
Soil Conservation

Proper land use is the basis of soil conservation. The local soil conservation technician assisting the Wiregrass Soil Conservation District helps farmers in making farm plans for proper use of their land. The plans are based on a soil survey of the individual farm.

Farmers that became district cooperators last month were: A. M. C. Tatum, Reeton; Sam E. Hall, Kinston; Carlton Larkins, Elba; D. J. Grimes and E. A. Grimes of Curtis Community; and Ed Pulling of New Hope Community.

Mr. and Mrs. C. B. McDowell and daughter, Mrs. Mary Newton, visited relatives in Monticello, Fla. Sunday.

Greeting Cards at The Clipper

This fall Mr. Hudson is overseeding part of the field with rescue grass. The rescue can be planted on the sod same as crimson clover. The rescue and crimson make a good combination. Rescue like crimson clover is an excellent reseeder. Mr. Hudson is cooperating with the Wiregrass Soil Conservation District.

R. D. Donaldson, of Elba is sitting in a boat on his pond located near Curtis. The pond provides water for his livestock, and it will provide some good recreation when it is opened for fishing.

SHOP IN ELBA AND SAVE

37 Years Ago in Elba

By C. B. McDowell

The following grand jurors are serving in Circuit Court in session in Elba this week: J. F. Grimes, J. D. Griffin, J. M. Marler, E. J. Smith, W. R. Bowell, M. W. Wise, T. M. Spurlin, Lafayette Martin, J. W. Arrington, A. W. Dolandson, L. M. Horne, J. W. Mixon, W. M. Tillman, A. J. Holloway, H. E. Eddins, J. H. Pierce, G. P. Clark, J. A. Moore, W. A. Parker, S. D. Sellers, J. S. Donaldson, N. R. Hudson, G. W. Clark, B. F. Martin, Y. W. Rainier, J. W. Lewis, G. E. Lindsey, J. D. Smith, J. M. Bonneau, Lee English and Ed Lee.

The Elba Troop is doing nicely at Camp Henderson. The cavalry regiment is now nearly fully equipped with uniforms. Examinations were concluded Tuesday, which showed that many of the men are not the sort Uncle Sam wants in his army unless the need should be greater than it is now. Recruits are coming in very

well and it is expected that the regiment will be filled by the end of the month. Part of the soldiers stationed here left for the Border Wednesday; others, it is said, will go next week. All will go later, at least for a short stay. It is predicted. The cavalry will get horses as soon as they are needed, which may not be until it goes West. The Elba troop hopes to be back in the spring, after making the trip to the Border.

—37 Years Ago—

J. E. Wise, whose mill was destroyed by fire last Thursday, was in Elba Monday. He stated that the mill will probably be rebuilt. The mill was a severe financial loss to Mr. Wise and he is unable to rebuild without assistance. Quite a number of citizens of Elba and the Wise Mill Community have signified their willingness to help and no doubt a sufficient amount will be raised. This mill was very conveniently located and many people are anxious to have it rebuilt.

—37 Years Ago—

A message was received Wednesday by Elba friends announcing the death of Hon. Kyle B. Price at Culman Tuesday afternoon in Culman. He had been a resident of Elba for several years and was engaged in the practice of law. He left Elba several months ago to go to his former home in Tennessee in hopes of regaining his health. Later he was carried to Sherman, Tenn. for treatment. His condition improved and he returned to Tennessee.

—37 Years Ago—

Mrs. Mary E. Roberts, one of our most highly esteemed women, died early Thursday morning, falling a critical illness of several days. She was postmaster at Elba for many years and is well known to Coffee County people. Surviving are four daughters, Mrs. Flowers of Arkansas, Mesdames R. E. Lee and P. J. Ham Jr., of Elba and Mrs. Claire Gibbs of Atlanta, Ga.; LeRoy Roberts, Elba; also a number of grandchildren and other relatives. Funeral services were held Friday at the family residence. Interment in Evergreen cemetery.

Following storm warnings sent out by the Weather Bureau Tuesday a fierce storm broke over the Gulf Coast Wednesday morning and struck this section about noon. A heavy rain preceded the wind and for some time the streets of Elba were flooded. During the heavy rain the wind was strong, but the most destructive part of the storm came after the rain and lasted more than an hour. Persons traveling in great danger from falling tin from roofs, falling trees and limbs, and electric wires and poles. Most damage was to business houses around court square. All awnings on the west side from the corner store of Clark and Son to the store of Clark and Patrick were wrecked. The awnings in front of the two stores of Boyd and Son were hurled to the tops of the buildings. Many plate glass windows were broken or damaged. At the First National Bank building the large plate glass window in front was blown out and smashed. Awnings in front of the Planter's Trading Co. Dr. W. C. Braxwell's office and Old Barber Shop were blown away. The roof of the Page building at the southwest corner of the square was blown off, and water damage was heavy. The only buildings damaged on the north side were the stores of W. M. Tucker. The Brick Hotel at the southeast corner is perhaps the worst damaged building in town. Practically all of the front of this large building from the second floor up was torn away. Electric current was cut off early Wednesday before the storm reached Elba. Two large windows in the Methodist Church were blown out. Pansy Ham, little daughter of Mr. and Mrs. W. W. Ham, had a narrow escape. She stopped for a moment in front of the effort office, but had passed on when the front collapsed. Leslie Smart had a narrow escape at the Brick Hotel. He was in the act of opening the front door and going out when the entire front of the building crumbled. He sought refuge in the rear. Damage was heavy throughout the county, especially to timber. Damage to cotton was not as heavy as would have been ordinarily at this time of year as practically all of the crop had been picked and ginned. The storm was the worst in many years.

BETTER FOODS MAKE BETTER LIVING

It's a wise home-maker who can keep her family in good spirits this week-end. The ghosts and goblins will be roaming—demanding tribute or threatening revenge. By all means have those Hallowe'en favorites on hand to pass out the door and at the same time serve your family these pleasing foods for a Happy Hallowe'en Holiday.
